TREASURER UPDATE

Very few transactions are occurring this year. Next year’s LPEP board will start the year with ample funds because of low spending due to the pandemic and remote learning. Five Below holiday shop showed a profit of \$300, total salves \$3183.00. Market Day has produced a profit of \$67. Box tops fundraised \$39 this quarter, March first is the next submission deadline for the program. The treasure report is available upon request.

LPEP BOARD ELECTIONS

Board positions will be open for the 2021-2022 school year. Positions include; President, Secretary, Treasurer, and VP positions at Curtisville, East Union and the Middle School. LPEP Board agrees that the requirement to chair an event in order to run for a board position should be waived for school VPs nominations due to the pandemic. President, Secretary, and Treasurer positions will still need to meet this requirement. Candidates can be nominated by a friend, teacher, or fellow LPEP member. All nominations need to be emailed to Lancerpep@gmail.com by 2/22/2021. Nominations will then be compiled on the ballot for the March meeting/vote on 3/2/21.

YEARBOOK COORDINATORS

Josie Crame is chairing the yearbook for Curtisville and Jo Elliot for East Union. The group discussed feasibility of a yearbook for 2020-2021 based on timing, volume of pictures, number of pages and absence of school pictures. At this time yearbooks have been designed with approximately 20 pages. Typical yearbooks contain 72 pages. Karen will go back to Lifetouch and discuss pricing and page volume options. Group suggested the schools to create seesaw

assignments requesting pictures. Mrs. Cavalancia and Mrs. Vanderschaff will investigate options and possibility work with the school counselors to create assignments. A Facebook blast and Skyward email requesting pictures will be sent by LPEP secretary this week. School principals will reevaluate potential for school pictures in the spring.

BETTER TOGETHER

The next Better Together virtual event will be held in February. Themes are being explored. Mrs. Cavalancia suggested a painting night. If that is used Ms. Eck advised of paint left from the Middle School Service project night that could be used. Additional information on this event will follow.

MARKET DAY PROGRAM

The January special for the Market Day program is a free fruit with purchase of chicken steak. Member are encouraged to keep checking out the program as additional items are being added daily and the variety is growing. It was also advised that items are shipped cold and of good quality.

SARRIS CANDY

Sarris candy is a huge fundraiser for LPEP, that we need to decide if we should pursue in the spring. Lacie Claypool confirmed shipping will not be free for the spring as was available during the winter sale. It will be a \$5 flat shipping rate. The board agrees due to the pandemic the best option for carrying out this sale is to hold it online. Lacie will chair this event for the spring.

SPRING APPAREL SALE

Group discussed the feasibility of having a spring spiritware sales, offering summer items. Group will investigate ability to offer online payment. Josie Crame is gathering information on vendors other organizations have used that offer online payment. Additional details will follow.

Next LPEP Meeting will be February 3rd. The meeting will be held via Zoom and an invitation will be send via skyward to families and faculty prior to the meeting date.
