### **SPRING SARRIS**

Fundraiser is running now through 3/29 Any orders placed now will also have options for Valentines Day candy. Easter Orders will start to be filled on 2/18. Flat Rate \$5 shipping on all orders. Suggestion to combine orders with family/friends to help with shipping costs.

### **BETTER TOGETHER**

Virtual better together and Art night are going to be combined. Postponed until March. Mrs. Mack is helping Kim to organize

### **QUESTION FROM ATTENDEES:**

Will there be a Sarris Order form sent home or emailed out? Answered that everything is online through Sarris. Email went out through skyward for all info and posted on Facebook.

### **YEARBOOK UPDATE**

Lifetouch is extending deadline into summer. No minimum requirements for sales this year. We are also able to minimize the page number per book. Pricing will be less than past years, but we will not know total cost until number of pages is established.

Currently we have a total of 323 CPC and 285 from EU.

Please remind teachers and staff to take pictures of Valentine's Day and 100<sup>th</sup> Day Celebrations if possible.

Middle School yearbook teachers are aware that they can push back their yearbook and also lessen the number of pages if necessary.

### **MARKET DAY**

Usually they have 2 specials per month. This month is Super Bowl Game Day and Valentine's Day Cheesecakes. Next month will be focused on Fish/Lenten Specials.

### **SPRING APPAREL**

Online google form I something that can be used. It also creates a Spreadsheet to help tally orders and totals the cost for shopper. Looking into creating a Venmo account for payments. We also have information from a company that is all On-Line (used for DL Cheerleading). Advised to run Apparel sale into March-April for parking lot pick up instead of sending home with students. Mrs. C also had a suggestion of using a company VEE Graphix. She also volunteered to pick up and deliver to area if we use them.

### **SPRING BOOK FAIR**

Suggested that we run a Spring On-Line Book fair. Looking for a Volunteer to Chair this position. It would run for 2 weeks towards the end of March. With On-line book fair we would only earn scholastic dollars. Currently we have NO scholastic dollars at either school. Scholastic Dollars are used to Purchase Scholastic Magazines for K-3<sup>rd</sup> Grade, books for both CPC and EU (reading night, K orientation) and for items in the Launch Lab at EU.
