

LPEP

Lancer Parent Educator Partnership

PO Box 26 Bairdford PA 15006

Lancer Parent Educator Partnership, LPEP, was formed by an enthusiastic group of parents in cooperation with teachers, administrators, and staff from grades K-8 of the Deer Lakes School District. The mission of our organization is to enrich the educational experience by funding activities, providing tools and supplies, and developing a closer relationship between school and home by encouraging parent/guardian involvement.

If you would like to become a member of LPEP, please complete the bottom portion of this form, include your payment, and return it to your child's homeroom teacher. As a member you will receive notices of upcoming events at the schools and you will have exclusive volunteer opportunities.

You can join anytime, we always welcome new faces! However, to be included in the directory and receive your copy, please return your membership form and payment before October 31, 2022.

Monthly meetings are scheduled September through May at East Union Intermediate Center Library. Please visit our website www.lancerpep.org for dates and times.

If you would like more information, please contact LPEP President Josie Crame josiecramelpep@gmail.com.
