

Lancer Parent Educator Partnership

PO Box 26 Bairdford PA 15006

We wouldn't be LPEP without the E! All our amazing educators!

We invite you to support and join LPEP. The annual dues for all members are only \$5. Membership offers you the opportunity to have a voice in LPEP activities and programming. You will receive our emails to keep you informed of all upcoming events. In addition, with your participation and involvement we will know what we can do for you! We pride ourselves on listening to you, our teachers, and staff.

We would like to personally invite you to attend our monthly meetings. At these meetings we discuss upcoming events, activities, and bring everyone up to date on current programs and financials. We also always welcome feedback and requests from staff and our LPEP members so that we can ensure we are serving our school community well.

With your support, we can strengthen the home to school communication. The more our families know what is happening at school, the more involved and connected they will feel to the school and their community. We can't do what we do with you! Please consider joining us!

If you would like more information, please contact LPEP President Josie Crame josiecramelpep@gmail.com.
