

## Lancer Parent Educator Partnership

LPEP, Lancer Parent Educator Partnership, was formed by enthusiastic parents in cooperation with teachers, administrators, and staff from grades K-8 of the Deer Lakes School District. The purpose of this organization is to enrich the educational experience by funding activities, providing tools and supplies, and developing a closer relationship between school and home by encouraging parent/guardian involvement.

If you would like to become a member of LPEP, please complete the bottom portion along with your membership fee and return it to your child's homeroom teacher. As a member you will receive notices of upcoming events at the schools, volunteer opportunities, and a directory of LPEP members.

You can join our group anytime, we always welcome new faces! However, to be included in the directory and receive your copy, return your membership form by October 30<sup>th</sup>.

Monthly meetings are scheduled September through June at the East Union Intermediate Center Library. Please visit our website [www.lancerpep.org](http://www.lancerpep.org) for dates and times.

If you would like more information, please contact LPEP President Karen Dineff [kdineffLPEP@gmail.com](mailto:kdineffLPEP@gmail.com).

### LPEEP Membership Form 2019-2020

Parent/Guardian Name
